Employer Partner database

- Indiana Vocational Rehabilitation has developed this site to be a one-stop shop for all things employment related.
- VR participants will be able select an Employment Service (ES) provider by using the VR ES Provider Directory and search for employment opportunities by using the VR Employer Partner Database.
- Employment Service providers will be able to login to create and maintain a listing in the VR ES Provider Directory.
- **Open positions, including internships, work-based learning experiences and/or apprenticeships can be added to the VR Employer Partner Database.**
